

SPRING BATTLE 2021 - THE ONLY CONSTANT IS CHANGE

In 2002 the first SPRING BATTLE took place in Absolut Park. Over the past years, we always had creative formats and awards, constantly changing and updated. An evolving event format, always up to date and in tune with the zeitgeist.

This year in its 19th edition and due to the current Covid-19 situation, we adapted to the restrictions and will hold the Spring Battle 2021 as **BEST TRICK ONLINE CONTEST** with a total prize money purse of **60.000 US\$**.

The main changes from the past year's format: The focus will be on three **BEST TRICK AWARDS** instead of the full slopestyle runs of the past. Also the event will be **digitally global**, meaning the invited riders and their filmers do not necessarily have to be present on site, but can film their entries to the four categories anywhere in the world during the event's time window from **February 26th till March 5th 2021**.

Only **invited riders** can participate **globally**, whereas our event on site at **Absolut Park** will be **open for any rider** wanting to participate.

As usual, SPRING BATTLE 2021 will be welcoming the best **women** and **men** in **snowboarding** and **freeskiing** on the globe.
